This bill, as amended, would change provisions and penalties relating to the Uniform Controlled Substances Act, change certain assault provisions, and change and transfer provisions on prescriptions and controlled substances.

It appears that this bill, as amended, will not have a fiscal impact on the state or political subdivisions.

In LB811, as amended by the Judiciary Committee amendment, the Supreme Court and the Nebraska State Patrol estimated no fiscal impact, and the Department of Correctional Services (DCS) stated that this bill will have an indeterminate fiscal impact, and the impact on future admissions is not determinable.
